Election/Restrictions

1. Claims 6, 8-15, 17, 18, 20-28 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected species, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on 10/26/2007.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
3. Claim 19 is objected to under 37 CFR 1.75(c) as being in improper form because multiple dependent claim 19 depends from claim 18 which has been withdrawn. See MPEP § 608.01(n). Accordingly, the claim 19 not been further treated on the merits.

Claim Rejections - 35 USC § 102

4. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

5. Claims 1, 2, 4, 5, 7, 16, 19 are rejected under 35 U.S.C. 102(b) as being anticipated by Fischer (USPN 5,207,348).
6. With respect to claim 1, Fischer shows an inner surface (16) defining an upwardly orientated opening through which an end of a paint roller may be inserted

down through said opening for pushing, pulling, rotating and maneuvering the paint tray (fig. 1).

7. With respect to claim 2, Fischer shows said assembly is removably affixed to said paint tray (fig. 1).

8. With respect to claim 4, Fischer shows said opening is circular (fig. 2).

9. With respect to claim 5, Fischer shows said inner surface (16) forms a cup (fig. 2).

10. With respect to claim 7, Fischer shows said assembly is removably affixed to said paint tray (fig. 1).

11. With respect to claim 16, Fischer shows a bottom side (16) adapted for resting upon a support surface; a reservoir (10) having a floor and a sidewall extending around said sidewall for retaining the liquid; and an inner surface (14) defining an upwardly orientated opening through which an end of the roller may be inserted through said opening for pushing, pulling, rotating and maneuvering the paint tray assembly about the support surface (fig. 1).

12. With respect to claim 19, Fischer shows the inner surfaces of said inner surface forms a cup, said cup having a drain through which liquid deposited from said roller may flow back into said reservoir (fig. 1).

13. Claims 1, 3 are rejected under 35 U.S.C. 102(b) as being anticipated by Abbey (USPN 6,065,633).

14. With respect to claim 1, Abby shows an inner surface (20) defining an upwardly orientated opening through which an end of a paint roller may be inserted down through said opening for pushing, pulling, rotating and maneuvering the paint tray (fig. 1G).

15. With respect to claim 3, Abby shows the assembly is permanently affixed to said paint tray (fig. 1G).

Conclusion

16. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
